

# QuickShip Thermal Labels

Rounding out NCR's custom label offering is our QuickShip blank thermal label program. NCR's QuickShip thermal labels are intended to help consolidate all your label vendors into just one...NCR. The QuickShip label program ships product from multiple stocking locations to our customers in 24 hours.

*Stock Thermal Labels Designed for Premium Quality Printing*

## A Wide Variety of Stock Labels

- The most popular label sizes and styles are available under NCR's "QuickShip" program.
- All roll labels are on 3" core with an 8" outside diameter.
- QuickShip labels stocked in up to 3 locations throughout the U.S.
- QuickShip labels have a permanent acrylic adhesive specifically designed for print and apply applications.

## Unique Packaging Features

- Cores are slit to exact size to fit perfectly onto your printer
- All labels are packaged in poly bags to protect your investment during transit and storage.

## Extensive Customer Support

- Trained knowledgeable sales consultants are located throughout North America to help you identify thermal labels to meet your application requirements.
- Label engineers are located at the label plant to recommend cost effective label materials for a variety of label applications.

## NCR Services

- *On-Line Inventory Management Program* - A secure Internet technology to place, monitor, track custom and stock product orders.
- *Deferred Billing & Storage* - To reduce customer inventory costs, NCR can store custom labels for up to 6 months.

- *ProofNET* - Offering on-line custom label proofs to review and modify with a click of a button.

## Manufacturing Advantages

- Products manufactured under ISO certified 9001:2000 standards.
- All plants are climate controlled for humidity and temperature providing consistent product quality.
- Extensive R&D product testing procedures to test and develop innovative label solutions.
